

Author statements

Please insert the relevant text under the subheadings below. A completed form must be signed by all authors. Please note that we will accept hand-signed and electronic (typewritten) signatures. Please complete multiple forms if necessary, and upload the signed copy with your submission, scan and email to: digitalhealth@lancet.com.

Manuscript title:
Corresponding author:
Article type:
I irrevocably authorise and grant my full consent to the corresponding author of the manuscript to: (1) enter into an exclusive publishing agreement with Elsevier on my behalf, in the relevant form set out at www.elsevier.com/copyright; and (2) unless I am a US government employee, to grant an exclusive license of rights to Elsevier as part of that publishing agreement, effective on acceptance of the article for publication. If the article is a work made for hire, I am authorized to confirm this on behalf of my employer. I agree that the copyright status selected by the corresponding author for the article shall apply and that this agreement is subject to the governing law of England and Wales.
Does your manuscript have a reference number? No ☐ Yes ☐ If yes, enter number here:
Does your manuscript have a handling editor? No ☐ Yes ☐ If yes, enter name here:
Authors' contributions Please insert here the contribution each author made to the manuscript—eg, literature search, figures, study design, data collection, data analysis, data interpretation, writing etc. You may also find the CRediT taxonomy helpful. See http://credit.niso.org/ for more information on 14 roles that can be attributed to authors: conceptualisation, data curation, formal analysis, funding acquisition, investigation, methodology, project administration, resources, software, supervision, validation, visualisation, writing – original draft, and writing – review & editing. If all authors contributed equally, please state this. The information provided here must match the contributors' statement in the manuscript. We require that more than one author has verified the underlying data. Please state the named authors who have accessed verified the underlying data.

THE LANCET Digital Health

Role of the funding source			
Please disclose any funding sources a Examples of involvement include: da to the study. Please also comment w information provided here must ma please state that all authors had full	ata collection, analysis, or interpreta hether you have been paid to write tch the role of the funding source s	ation; trial design; patient recruit this article by a pharmaceutical tatement in the manuscript. If yo	tment; or any aspect pertinent company or other agency. I The ou are the corresponding author
Conflicts of interest Please complete the ICMJE conflict o ensure that a conflict of interest stat of interest form.
